

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

DETARIFFING THE INSTALLATION)	ADMINISTRATIVE
AND MAINTENANCE OF INSIDE WIRE)	CASE NO. 305

O R D E R

On December 24, 1986, the Commission released an Order in this case that required local exchange carriers to file inside wire cost allocation plans, inside wire revenue and expense information, and local exchange rate reductions. As of the date of this Order, Leslie County Telephone Company, Inc., ("Leslie County") has not filed the required information. Therefore, the Commission will order Leslie County to file the required information within 10 days from the date of this Order. In the alternative, Leslie County should show good reason why it should not file the required information and why it should not be subject to the penalties prescribed in KRS 278.990.

The Commission, having considered the evidence of record and being advised, is of the opinion and finds that:

1. Leslie County has not filed the information required in the Commission's Order of December 24 and should do so within 10 days of the date of this Order.

2. In the alternative, Leslie County should show good reason why it should not file the required information and why it should not be subject to the penalties prescribed in KRS 278.990.

Accordingly, each of the above findings is HEREBY ORDERED.

Done at Frankfort, Kentucky, this 20th day of May, 1987.
